machinerysalesonline.com.au | Penrith NSW | Supplying nationwide

SPECIFICATIONS

Lift Capacity: **270kg**

Driving Height: **Full height**

Driving Speed (stowed): **0 - 3.2 km/h**

Driving Speed (raised): **0 - 0.8 km/h**

Machine Length: **1.72m**

Gradeability: **0.25**

Power Source: **240V (4x6V) DC Battery**

Tyres: **323 x 102 mm**

Turning Radius: **1.69 m**

Maximum Working Inclination Angle: **1.5° / 3°**

Rise/Lower Speed: **20 / 20 sec**

DIMENSIONS

Maximum Platform Height: **5.8m**

Overall Length (stowed): **1.72m**

Overall Width: **0.8m**

Platform Length (stowed): **1.68m**

Platform Width: **0.8m**

Stowed Height: **1.05m**

Ground Clearance (Stowed): **0.1m**

Ground Clearance (Lifting): **0.02m**

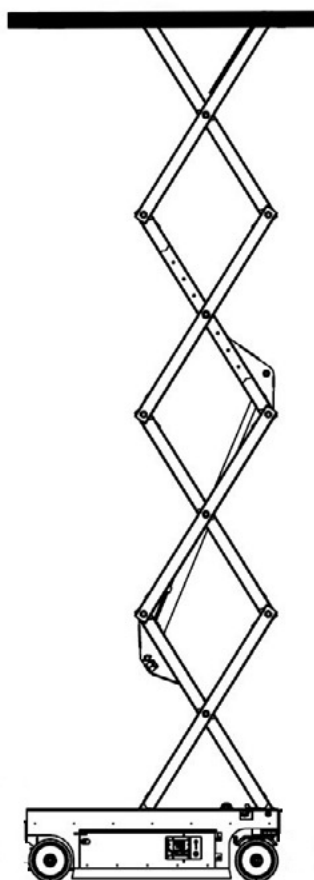

Overall Weight: **1250kg**

LOAD LIMITS

Maximum Width: **0.8m**

Maximum Height: **1m**

Lift Capacity: **270kg**
